

Hyderabad Deccan railway station

Hyderabad railway station, popularly known as Hyderabad Deccan railway station or Nampally railway station, (station code: HYB) is located at Nampally, a locality in Hyderabad constructed and earlier run by the Nizam's Guaranteed State Railway of the Hyderabad State.

Introduction

Hyderabad Deccan railway station is a terminus, meaning the tracks go only in one direction. The station has 6 platforms. Platform No. 4 is the main platform that is directly located at the main entrance of the station, and is the first platform that one reaches after entering the station. Platform No. 4 is meant for trains departing from Hyderabad Deccan, such as Telangana Express, Charminar Express, Chennai Express, Godavari Express (PF. No. 5). Platform numbers 1, 2 and 3 are smaller platforms, and they are located on the "side" entrance of the station. These platforms are exclusively used for operating Hyderabad Multi Modal Transport System trains and the Warangal/ Kazipet Push-Pull Service, and other slow low priority trains. Platform number 5 is used for departure of trains and Platform No. 6 is exclusively used for the arrival and receival of incoming trains.

Administration

It falls under the Secunderabad Division of South Central Railway. The station serves the city of Hyderabad by rail to and from many important towns and cities in the country.
